EDUCATION

Full Stack Web Development
Masai School
October 2023-present

B. Tech.
G. C. R. G. Group Of Institutions
October 2022-present

Diploma
R. R. Group Of Institutions
September 2019 - August 2022

TECHNICAL SKILLS

MongoDB | Express.js | Node.js |
Redux | React

SOFT SKILLS

Time Management | Problem Solving

Sabre Alam

Full Stack Web Developer

PROFESSIONAL SUMMARY

Dynamic Full Stack Web Developer skilled in the MERN stack, excelling in JavaScript, Node.js, and React.js. Adept at creating efficient server-side APIs and frontend components. Demonstrates robust problem-solving and collaboration skills, quickly adapting to new technologies, including Generative AI implementations.

PROJECTS

1. GreenChat | 🌐 ⏐ 🎤

Redux | React | Git | Express.js | MongoDB | RESTful APIs | Responsive Web Design | JavaScript | Node.js

- Collaborated with cross-functional team members to gather requirements and define project scope for GreenChat.
- Developed scalable server-side APIs using Node.js and Express.js to support chat functionalities.
- Implemented responsive user interfaces using React.js and Redux for seamless chat experience.

2. LensCart_Clone | 🌐 ⏐ 🎤

Redux | Express.js | MongoDB | RESTful APIs | React | Git | JavaScript | Node.js

- Collaborated with designers to implement an intuitive user interface using React.js for seamless user experience.
- Developed efficient server-side APIs using Node.js and Express.js to handle user authentication and transactions.
- Managed the application state with Redux for enhanced performance and user experience.
- Created and optimized MongoDB database models to store user and product data efficiently.
